

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

2.14 Significant Activities and contributions made by IQAC

Apart from monitoring the developmental activities of the faculties at the institutional levels as well as ensuring quality of infrastructure, the IQAC for the present academic year has highlighted and taken steps for community development, for example, motivating the high school level students of greater Sualkuchi area to inculcate science awareness among them. The extension programme has benefitted the students of the locality to have an access to the laboratories of the Science Stream of the institution. The faculty members also extended their service for teaching the high school level students of the locality who can hardly avail the laboratory facilities in their own schools as most of these schools of the rural setup are not up to the mark in this front.

The IQAC has motivated the Career Counselling and Guidance Cell (CCGC) of the institution to organise Computer Hardware and Networking Programme at regular intervals for the regular students of the college.

With the very initiative of the IQAC, the Department of English has maintained the continuity of Soft Skill Development Programme (Spoken English) for the students of the institution.

It is worthwhile to mention that the college has been enlisted to run the Community College Programme under UGC with the initiative of IQAC in the present academic year.

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

Revision /updating is done as per the guidance of Gauhati University from time to time.

So far as the revision and updating the syllabi is concerned, the Institution has some representatives to extend their valuable suggestions by participating in different workshops from time to time. In fact, the Principal of the College, Dr. D.C. Bhagabati, is the member of DRC (Departmental Research Committee) for Ph.D. Programme under Gauhati University.

Dr. Jogesh Deka, Head of the department of Political Science, has been appointed as a member of Gauhati University Academic Council.

As per the instruction of the G.U., the college holds sessional examinations for Undergraduate courses from time to time and accordingly sends reports of the evaluation process to G.U. Since the institution is affiliated to G.U., yet it does not enjoy the autonomy of designing the syllabus. However, certain add-on activities are at times implemented to suit the requirement of the students.

2.6 Innovative processes adopted by the institution in Teaching and Learning:

The institution has adopted various innovative processes regarding Teaching and Learning which are as the following:

- ❖ Continuous monitoring of students' progression by means of self-designed Academic Audit Phase III
- ❖ Development of Question Bank system with a view to familiarize the students with probable questions as much as possible
- ❖ Emphasis on changing teaching approached from traditional lecture method to student centred method of objective analysis of contents
- ❖ Remedial and tutorial classes have been started and offered to students who need special attention.
- ❖ Students' feedback is received from students in regard to classroom teaching performance of the teacher
- ❖ With the advanced application of ICT tools in teaching-learning practices, we are moving forward from traditional 'Talk & chalk method' to ICT enabled classroom management. , the situation has begun to change gradually. Yes, we have no hesitation to state that we have miles to go in order to provide such facilities as required. Yet our effort in this direction has got momentum and we are on the track now, and hopefully, will be able to bring a remarkable change in the near future. Judicious application of such tools in the classrooms breaks the monotony in the class giving the students ample scope to become active learners in the classroom. Steps are taken up in order to develop interactive learning, collaborative learning and independent learning.

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

The IQAC collects and analyses the data on students' learning outcomes through analysing their Final Examinations results conducted by Gauhati University. Moreover according to the need of the students, remedial classes are organised. Reading materials, probable questionnaire and personal guidance etc. are also made available to the students so as to overcome barriers of learning.

The IQAC also monitors the achievement of learning- outcome by verification and analysis of the academic audit report. Besides this, the IQAC evaluates the achievement of learning outcomes of the students through conducting internal examination, project works, home assignment etc, and through the conduction of different programmes for both academic and personality development of students. Each department analyses and compares the results of final examination of semester system (exit level) to the marks of higher secondary examination (entry level).

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- ❖ The IQAC is enhancing following support services to the students through college authority, NSS, NCC etc .
- ❖ Students from SC/ST, OBC and economically weaker sections are provided with support facilities through scholarships, such as Government Scholarships, BPL Scholarships, Minorities' Scholarships, over and above being aided by the Welfare Fund of the Institution which provides books as well as financial assistance. Besides, the College Library and the Departmental Libraries are open to students of the general category and specifically to those hailing from weaker economic background. Personal guidance is provided to the students not only through conventional routine classes, but also through extra classes (tutorial and remedial).
- ❖ The Institution takes special care to safeguard the interests of the students belonging to the SC, ST, OBC, the minorities' community and also the economically weaker sections. The Institution follows the guidelines of Government regarding the quota of reservation for the students. Seats are also especially reserved for them for admission to the Institution, as the College is surrounded by many villages where most people belong to the SC, ST, OBC, Minority Community as well as the economically weaker sections. Remedial classes are held in order to help them to cope up with the syllabus especially targeting the Under Graduate Students.
- ❖ Medical assistance and health care facilities are made available to students through the Health Unit of the college, opened for students as well as the staff. Moreover ramp facilities are made available for the students of physically handicapped.

5.2 Efforts made by the institution for tracking the progression

- ❖ The Slow Learners are detected through Sessional tests and class-assignments. Tutorials and Remedial classes are taken by the teachers of the respective Departments.
- ❖ The strategy to track the student progression has been adopted in the Academic Audit (Phase III) Report which includes the comparative study of students' performance in Semester Examination with higher secondary marks.
- ❖ The student progression process has been decentralized at the departmental levels. Moreover students' feedback are monitored and scrutinized in respect of student's opinion about course curriculum.

5.8 Details of gender sensitization programmes

SBMS College is a co-educational institution with nearly 60% in its enrolment being female students. Among the faculty too, more than 33% are female teachers. In the library, gender distribution is equal. Thus the institution itself presents positive signal for gender-friendly environment. No discrimination is allowed in respect of gender issues in the campus. Equal opportunity is accorded to girl students to contest for election to the Students Union, to participate in co-curricular activities, to enrol themselves in the NCC and offer membership to NSS, etc. That there is a healthy atmosphere of equal privileges to members of both the sexes can easily be observed from the following points:

- **Students' Union Election**, which gives equal opportunity to the girl students to contest in different portfolios.
- **Curricular and Co-Curricular** activities inside and outside the college campus also provide equal opportunity to the girl students to participate in them. Moreover, celebrations of Girl-Child Week and International Women's Day are organized every year to infuse the spirit of gender equality to be followed in principle and practice.
- The **Women Cell**, an organization of the female teachers and employees of the College, is rendering yeomen's service in respect of the issue in question.
- The **Grievance Redressal Cell (GR Cell)** of the college plays a positive role in sensitizing the staff and students in favour of a positive gender-friendly attitude. Complaint or issues centering on gender are dealt with a firm hand to propagate the message of upholding a healthy attitude among all concerned in this regard.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Our vision:

- ❖ To ensure quality of education, infrastructure and services for the holistic development of young minds, we are someone here at Sualkuchi...

Our Mission:

The missions of our college are:

- ❖ To impart higher education to the eligible youths in general and SC/ST/OBC and those belonging to the weaker section including the women in particular
- ❖ To promote ideas of national integration, secularism, a scientific outlook and, a cosmopolitan, humanistic and a holistic approach towards life
- ❖ To impart training in games and sports, music, literature, arts and culture
- ❖ To promote among the students and teaching faculty an awareness and understanding of the social needs of the hour
- ❖ To work for the appreciation, preservation and dissemination of art and culture, education in science accessible to the rural youths.
- ❖ To arrange remedial teaching for the improvement of quality in the needy section of the learners
- ❖ To lead the rural youths to the national mainstream with better preparedness to prove themselves as human resource for development of the self and the nation in its true sense

6.2 Does the Institution has a management Information System

Yes, the institution has a management Information system which supplies:

- ❖ The information regarding admission to various courses, examination schedule, results, daily class routine, important events and holidays ,etc, which are displayed in the notice board.
- ❖ Information regarding faculty development programmes are highlighted in the college notice board
- ❖ Govt. Notifications, UGC guidelines, etc are put up in notice board.
- ❖ Administrative and official files are documented in conventional files which have maintained transparency and cater to the needs of the information seekers when it is asked for.
- ❖ Students are provided with their answer scripts for self- evaluation
- ❖ The college website provided all the valuable information both academic and administrative
- ❖ The policies are implemented by the Principal with the help of different sub-committees which are formed and approved by the G.B. The sub-committees are headed by the Principal, with other members from the teaching and the non-teaching staff as well as experts from different stake-holders concerned. Sub committees are maintained and monitored by the members of the top management (G.B). Active involvement of the management is reflected in the continuous improvement of the various facilities introduced in the college for quality enhancement.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

There are some faculty members of the institution who represent the curriculum designing & developing committee of the affiliating University, who at times, extend their views regarding the curriculum design and implementation meant for the undergraduate level.

In the beginning of every academic session the Head of each department allocates the course-contents to each faculty at the departmental level. Each department then prepares the teaching -plan, lesson-plan and Academic-Audit Reports for the whole academic session. The duly filled up ‘Students Feed-Back’ forms also maintain the progress report of each individual teacher and the course so as to review the implementation of the curriculum and for improved future plans and actions. The ‘Students Feed-Back’ mechanism tries to analyse and assess all deliberations, particularly those pertaining to the class-curriculum and syllabus coverage.

Regular ‘Parent-Teacher Meet’ gives guardians an opportunity to interact with the teaching faculty. The Academic Peer Team of the affiliating university occasionally visits our college, as resource persons for workshops and seminars or for inspections, and college avails of the opportunity of benefitting itself by taking their valuable suggestions on the effective implementation of the curriculum. Workshops and seminars are attended by the teachers so as to keep themselves abreast with various fields of study.

Workshops on Curriculum Development have been attended by teachers at the University level. Class-room deliberations are made through the smart board, multi-media and audio-visual aids, as far as feasible. Physical education, sports, yoga-classes and camps, eco-camps, environmental field-trips and work-out at the gymnasium are an integral part of the curriculum.

6.3.2 Teaching and Learning

The Institution have own mechanism of continuous academic audit which helps to monitor the performance of each and every student in respect of their achievements. Students with high risk of drop-out are identified and are then encouraged to improve themselves. They are also advised to take part in remedial teaching program. Their attendances in classes are also monitored. Finally they are advised for go through more student-friendly texts and reference books.

6.3.3 Examination and Evaluation

The college maintains rigor and transparency in publishing departmental examinations results and supplying answer scripts to the students. The entire assessment process of final examination is prepared by the parent university. The semester system introduced from 2011 in the college. The system introduced in the under-graduate level with Credit and Grading system in which weightage is given in the form of marks to students. The internal assessment is monitored by the HODs and Principal to ensure rigor and transparency in the internal assessment

Ensuring the participation of all teachers in different capacities and performance of assigned evaluation duty compulsorily is our basic principle to ensure effective implementation of reforms in evaluation system. The approaches in detail taken up in this regard are as follows:

Orientation of young teachers in setting up of question papers for the internal exams under the supervision of Head of the Departments and senior teachers of the respective Department mostly at informal level is done.

Our timely response to University notices requesting name of teachers for recruitment of examination duties.

Teachers engaged by University for evaluation duty are allowed duty leave accordingly.

All teachers assigned with evaluation of answer scripts of the sessional tests.

Timely completion of assigned duties is strictly monitored.

Teachers engaged in conduct of examination are done on rotation basis so as to democratise of participation of all teachers in responsible capacities.

6.3.4 Research and Development

The faculty members are inspired by the College authority to present their research findings in different Conferences and Seminars specifically by granting leave to them. Moreover, the Principal of the College constantly inspires the faculty to publish the findings of the individual research works in journals, magazines, etc. The process of the publication of a research journal from the College is going on to intensify the venture of research publications

So far as the use of various equipments and research facilities of the Institution enjoyed by staff and students is concerned, the Central Library along with Departmental libraries cater to the facilities of providing books, journals, etc. for the purpose of research activities. Strictly speaking, it has no research laboratory as such, though departmental laboratories are available in the Science Departments. The researchers engaged either in major or minor projects can avail the computer facility, internet etc. provided by the college authority.

In this year the Arts Stream of the college has developed a research journal named as CONFLUENCE with ISSN 2454-1168. Similarly the Science Stream of the college has also developed the research journal named as HEXAGON with ISSN.

6.3.5 Library, ICT and physical infrastructure / instrumentation

The institution facilitates ICT enabled classrooms for enriching the teaching learning process. There is a provision of smart class to each department allotted in the routine.

Each department has Internet facility to carry out the academic activities including research. Digital boards have been added to upgrade the IT infrastructure facilities. Smart Board, Internet facility, laptops, LCD projectors etc. are provided to the students and the staff to enhance the quality of teaching learning and research. The area of Phonology prescribed in Communicative English has been taught in the Language Lab. using ICT focusing on various aspects like sound, pronunciation, etc.

These facilities help the teachers to transform the traditional method of teaching, so as to help the students to understand the chapter easily.

At the onset of every academic session, students are given two orientation and awareness programmes regarding usage of library.

The college follows open access mode of service so as to enable teachers and students to locate the required library materials. The library staff is forever ready to extend their helping hand to the users. The services provided by the Library are :

- (a) Current awareness services through references
- (b) Selective information dissemination service
- (c) Bibliographic compilation service through standard format
- (d) Reprography service
- (e) Internet facility
- (f) Newspaper clippings services which are specifically college related

6.3.6 Human Resource Management

The college has a decentralised management system and provides operational autonomy to human resources of the college.

The Human Resource available to the college is a conglomeration of individuals with varied quality and expertise, entrusted with specific responsibilities. The Principal is the overall head in day to day functioning of the college. His primary responsibility is of basically two types, i.e., academic and administrative. The academic responsibility is delegated to the faculties of the teaching departments under the captainship of Head of the Departments (HoD). The HoDs again distribute the responsibility among the fellow colleagues keeping in view the timely and effective discharge of duty.

The Vice-Principal, who is the senior most among the faculty members, is entrusted to look after the smooth running of the day-to-day academic activities.

The administrative responsibility of the Principal is carried out with the clerical support from Assistant level employees. In both the nature of jobs i.e., academic and administrative, subordinate level staffs are there. However, in addition to all that Central Library of the institution is there under the captainship of a librarian supported by an assistant and two subordinate level workers.

6.3.7 Faculty and Staff recruitment

Teacher recruitment against approved post is done as per the guideline laid down by Govt. of Assam in compliance with that of U.G.C.

Staff recruitment (Non-teaching) is done as per the guideline laid down by Govt. of Assam.

6.3.8 Industry Interaction / Collaboration

The research inputs from the faculty members of the college have contributed to the socio-economic development of the community inhabiting greater Sualkuchi area. The communities related to the famous silk industry of Sualkuchi area could be considered as one of the best examples in this regard. An UGC sponsored National Seminar on “**Future of Muga and Pat Industry in Sualkuchi Area of Assam**” in collaboration with Central Silk Board has made a great impact in locale industry.

The Institution has signed MOU with different establishment including both private and public for borrowing expertise for implementation of the scheme under Community Colleges.

6.3.9 Admission of Students

Admission Committee prepares the merit list on the basis of the achievement score of the students obtained in the last qualifying public examination. Admission to UG program is offered as per the merit list prepared. This of course not necessarily ensures that the concerned student will be offered all subjects to his/her expectation. Admission to Major programs is rather tough and it is strictly limited. A second line selection is done by the respective Departments and again on the basis of the merit of the students, admission to Major programme is recommended by the HoDs.

On the basis of recommendation of the HoDs, the Principal finally approves the admission to Major programme. Adequate weightage is given to students belonging to reserved categories.

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

The college follows the guidelines of its parent university; however regarding internal examination the college follows its own time schedule.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

Considering the potential and excellence of the affiliated/ constituent colleges, the university makes the provision of promoting autonomy to the colleges.

6.11 Activities and support from the Alumni Association

The Alumni Association has been functioning since 2003. The ex- student and outgoing students of this college are encouraged to become a member of the Alumni Association.

A few alumni of the college extend their support by joining as a part time faculty. There are alumni who extend their cooperation by taking classes of the K.K. Handiqui State Open University. Above all the alumni meet of the college offers their various suggestions and looks after the overall development of the college by taking part in the different activities.

6.12 Activities and support from the Parent – Teacher Association

There are three members of parents included in the Governing Body to look after the growth and development of the college, student's welfare measures, their performance in the internal and external examinations, and infrastructure improvement.

The authority of the college meets the parents whenever required to discuss the performance of their wards. Their valuable suggestions are taken into account for implementation.

6.13 Development programmes for support staff

The Institution manoeuvres effective strategies for motivating the employees on their roles and responsibilities through professional training programmes, sanctioning leave for the stipulated period and also by offering the platform to many profession- enhancement programmes, seminars and workshops

The institution also extends its support to the non-teaching staff so as to enhance their professional expertise. Computer training programmes and office-documentation workshops and Orientation Programme are attended by the non-teaching members including the library staff.

6.14 Initiatives taken by the institution to make the campus eco-friendly

The environment nurtured in the college campus reveals our love for nature. The campus is embellished with open fields, fishery, gardens and a luxuriant cluster of trees. The environment of the campus conveys the universal message that we need to be nurtured by nature and nature is to be nurtured by us. Maintenance of cleanliness in the classroom as well as the campus, plantation of trees, hygienic disposal of wastes are normal practices exercised in the campus which have been made possible by the cooperation of each and every member of the college family to make the campus eco-friend.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- a) Emphasis on regular attendance of students in the classes.
- b) Science awareness programme was organised on 25th May, 2015 by the institution to motivate the high school level students of greater Sualkuchi area so as to inculcate science awareness among them.
- c) The students of the institution have taken part in ‘Swachcha Bharat Mission’ near the bank of the river Brahmaputra, a part of cleanliness drive programme adopted by the institution on 16th February, 2015.
- d) Blood Donation camp organised by the NSS and NCC wing of the college 27/9/2014.
- e) Three months training programme on Computer Hardware and Networking by Carrier Counselling and Guidance Cell of the college on 27/01/2015.
- f) The Department of English has organised a thirty days Soft Skill Development Programme (Spoken English) for the regular students from 2nd May, 2015.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The core committee of IQAC reviewed the activities of the previous year and tried to locate the weak points. In its annual meeting with the principal, the cell chalked out the necessary actions for quality enhancement of education. Proposal has been submitted to the UGC for infrastructure and academic development of the college as a whole.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- 1) The Career Counselling and Guidance Cell (CCGC) of the institution in collaboration with Ministry of Micro, Small and Medium Enterprises (MSME), has taken initiative to organise Computer Hardware and Networking Programme at regular intervals for the regular students of the college on 27/01/2015.
- 2) Science awareness programme was organised on 25th May, 2015 by the institution to motivate the high school level students of greater Sualkuchi area so as to inculcate science awareness among them.

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

Environmental consciousness is enshrined in the main objective of the institution and plantation of tree is the major concern carried out by the authority to maintain an eco-friendly atmosphere inside the campus.

‘Green Audit’ of the campus is carried out and maintained especially by the department of Botany, which is also supervising the maintenance of the existing trees and planting new trees. The NSS and the NCC units plant herbs and trees and this is their joint venture to celebrate World Environmental Day in the campus. This is a non-academic pursuit that develops eco-friendly concern among the students.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

The Institution has a systematic and integrated framework for Quality Assurance of the academic as well as administrative activities. The excellence in performance of the institution is the outcome of integrated effort for improvement in academic and administrative front. The Principal all the time tries to improve simultaneously in both the front.

The IQAC works as a monitor and mediator to facilitate the co-ordinated output from different constituents of the institution.

The IQAC makes SWOC analysis at the different Departmental levels.

8. **Plans of institution for next year**

The institution has chalked out the following plans for next year which are as the following:

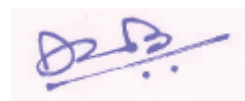

- Implementation of the scheme under Community College
- To submit plan proposal to UGC for Bvoc Courses
- To continue with the other regular programme
- To introduce Virtual class room
- To complete digitalisation of library
- To submit a plan proposal to UGC for sports ground including Basketball and Tennis court

ANNEXURE-III

Best Practice-I

1. Computer Hardware Maintenance and Networking Programme

The institution in collaboration with MSME TOOL ROOM & TRAINING CENTRE, Guwahati (An ISO 9001: 2008, 14001: 2004 certified organisation) under the Ministry of Micro, Small and Medium Enterprises (MSME), has taken initiative to organise a Computer Hardware and Networking Programme at regular intervals for the regular students of the college.

The basic objectives of the Programme are as the following:

- a) To become a partner in the move of skill development initiative agenda
- b) To bring awareness among our students regarding the need of hardware, maintenance and networking in computer application
- c) To educate our students in this line of direction
- d) To prepare our students to be absorbed in computer (hardware) field
- e) To make them enable so that they get engage in self-employment

Goal:

Situated in a rural backdrop, the SBMS College has been maintaining its level for preparing a platform for our students through entrepreneurial skill development programme. With a very limited exposure in and around the village, the Career Counselling and Guidance Cell (CCGC) of the institution in collaboration with Ministry of Micro, Small and Medium Enterprises (MSME), has taken initiative to organise Computer Hardware and Networking Programme at regular intervals. With a mission of imparting technical knowledge among our students, the programme was run to benefit the students preferably the economically backward students as it is meant free of cost. It is done as a ground work and a motivational phase for introducing a complete diploma level programme under the scheme of Community College of UGC.

The Practice:

The Programme attributes a positive impact among the students. With the strength of 50 students the programme was run for the duration of 3 months. The regular timing of the programme starts at 2:30 pm to 5:00 pm. It is a continuous process.

Best Practice-II

2) Science awareness programme

A Science Awareness Programme was organised from 25th May to 15th June, 2015 by the Science Block of the institution.

The basic objectives of the programme are:

- ❖ To motivate the Secondary level students of greater Sualkuchi area (who are likely to be get admitted to the subsequent level of education in this institution) so as to inculcate science awareness among them
- ❖ To popularise science education among the secondary level students of greater Sualkuchi area
- ❖ To offer an exposure to laboratory set- up usually used for different branches of Sciences as most of the schools in the locality are not up to the mark in this front.

Goal:

With a part of Institutional Social Responsibility (ISR) and Extension services, the faculty members of Science Stream have made efforts to attract the secondary level students of the vicinity by arranging close and intimate interaction with the students of the guest schools to inculcate a spirit of positive attitude for science in their future study

The Practice

About 40 students in a batch of a particular school daily attended the programme under the supervision of a teacher preferably the science teacher of the respective school. It creates a lot of thrills and excitement among the students. Through the programme, the institution is able to inculcate awareness among the guardians regarding their wards' future education to the Science Stream in general. Through the practice of the extension programme, the institution receives feedback from the guardians who are enthusiastic to enrol their wards in our institution.
