NAAC ACCREDITED INSTITUTION

VISION

As the only seat of higher education of the locality, this institution aims to impart quality education to the learners and to enable them to meet the needs and challenges of the time. It also envisages to erect the proper platform for the teachers and learners to mould high intellectuality, spiritual morality and social allegiance for building a sound and healthy social order and discipline within the plurality and diversity of religion and culture of the nation.

TWO SAINTLY PERSONS OF ISHWAR SRI SRI HATI SATRA WHO DONATED LAND TO THE COLLEGE

Hailed as one of the oldest seats of Higher Education in rural Assam, Sualkuchi Budram Madhab Satradhikar College had seen the light of the day through the magnanimous efforts of such spiritual sons of the soil like Late Sadhu Budram Mahanta Satradhikar and Sadhu Madhab Mahanta Satradhikar. The Saints who have spread the aroma of Vaishnavite culture in the north bank of the Brahmaputra, had lent a keen ear to the burgeoning demands arising from all corners towards establishing an institution of higher education in the region. With an unprecedented intellectual foresight, Sadhu Budram Mahanta donated 42 bighas of land for the noble cause without further ado. The outcome of their unstinted constructive effort to interlace the socio-cultural life of the region is discernible till date, with Sualkuchi and its remote areas admired for values such as social coherence, community-bonding, equality and economic as well as academic excellence.

COLLEGE PROFILE

Established in 1963, Sualkuchi Budram Madhab Satradhikar College, Sualkuchi, is a Cycle II NAAC accredited premier higher education institution with B Grade. Besides, the College is also an ISO 9001:2015 Quality Management System Certified Institution (Globus Certificate of Registration). The colossal undertakings of some far-sighted locals along with the timely philanthropic actions by two spiritual icons of the region have helped the institution to come to life. The College family pays deepest respect to the two saints----Satradhikar Late Budram Mahanta and Late Madhab Mahanta who have bestowed a huge plot of 14 acres of land to the cause of higher education in Sualkuchi. Moreover, memories of kind-hearted persons like Late Hrishikesh Dewan, Late Lohit Dewan & Sarukhel Goyan Raj Gairah will be forever cherished whose untiring efforts have borne an aura of enlightenment to the region.

MESSAGE FROM THE PRINCIPAL

Forewords:

The process of restructuring of higher education throughout the nation is on the card now. The provisions as envisaged in the NEP'20 are expected to bring out some novel experiences for the coming generation of learners. Under the changing situation, the higher educational institutions, particularly those belonging to the rural areas in the state of Assam are likely to face a challenging situation in respect of their preparedness in so far as physical infrastructure is concerned.

Contrary to the challenges likely to be faced by majority of the institutions in this part of the state, S.B.M.S. College is in a comfortable position to meet the changing demand of the situation. An institution with multiple streams like Arts, Science, Vocational (under B.Voc.), Computer Science, wider provision of ICT enabled teaching-learning process, digitized Central Library, alternative power back-up system, adequate student-support system, Clean and Green Campus and above all, experienced teaching staff are major sources of attraction for the aspirants of higher education. I extend hearty welcome to all the new-comers for their choice to open up a new chapter of life through this age-old institution of higher education. Thank you all.
