

## REPORT ON

### “Awareness and Consciousness Campaign” on Novel Corona Virus –Prevention of Infectious Diseases

**Organizer: Better India Mission, NSS Group and Extension Cell, SBMS College, Sualkuchi**

**Venue: Sualkuchi Area**

**Period: March, 2020**

#### **Brief Report of the Program:**

During the initial stage of Covid –19 pandemic periods NSS Group of SBMS College, Sualkuchi in collaboration with Better India Mission organized a program of awareness on prevention of the infectious diseases. In this month long program all the teachers of the college had participated and had tried to make aware the local people of Sualkuchi village on prevention of infectious disease – Covid –19. The program was very successful and helpful for villagers.
