C. The admission will be done based on merit, i.e., aggregate percentage obtained in 10+2 examination in English + Best 4 Subjects.

D. The spot admission will be conducted based on the number of seats available in various courses and departments after the completion of admission based on the 1st and 2nd merit lists. The spot admission will be, however, subject to admission under the following considerations:

E. Only One Admission during the Spot Admission:

A student can take admission in only one program during the Spot Admission round. Once admitted to a program, he/she cannot cancel it to take admission in another program within the same Spot round.

Please Note:

† If students fail to submit the original documents at the time of spot admission, their applications may be rejected. However, the admission committee reserves the right to grant additional time to the students on valid grounds.

† The decision of the Admission Core Committee (Principal, Vice Principal, IQAC Coordinator, Samarth Coordinator and Office Staff handling Samarth Portal) will be final and binding on all admission-related matters. The Admission Core Committee may admit a very few students (on a case-by-case basis) deemed fit and proper for the interest of the college/society without violating the broad rules fixed for the purpose by the stakeholders.
